Minutes of the Sixtieth Session of the North Carolina State Convention

The sixtieth annual session of the North Carolina State Convention of Original Free Will Baptists met on Wednesday and Thursday, September 13, 14, 1972, with Black Jack Original Free Will Baptist Church near Greenville, North Carolina. There was no official theme, but many times during the Convention, speakers emphasized the need for allowing the Holy Spirit to dominate the life of the church.

WEDNESDAY MORNING

Registration of ministers and delegates began at 8:30 a.m., and the Convention was called to order by the secretary, the Rev. Cedric D. Pierce Jr., who presented the Rev. Clarence F. Bowen, president, to preside over this session. Due to a very heavy fog several of the program personalities were late arriving. The Rev. Mr. Bowen directed the Convention in the singing of "Grace, Greater than Our Sins." The Rev. J. B. Starnes led in prayer, after which the Rev. Ralph Sumner, song leader, directed the singing of "Surely Goodness and Mercy," accompanied by the Rev. Clyde Cox at the piano and Mrs. Peggy Hardee at the organ.

The new pastor of Black Jack church, the Rev. Bobby G. Bazen, gave the address of welcome for the host church to the Convention. Mr. Rom Mallard, a highly respected layman, responded to the welcome on behalf of the Convention.

The partial report of the Credentials Committee was given by the Rev. J. Stewart Humphrey and by motion was adopted. (See report.)

Visitors were recognized by the president. Then he appointed committees as follows:

Nominating: The Rev. Joseph Ingram, chairman; the Rev. J. B. Starnes; the Rev. R. W. Allman; the Rev. A. Graham Lane; and the Rev. David C. Hansley.

Resolutions: The Rev. Floyd B. Cherry, chairman; the Rev. L. B. Woodall Jr.; and the Rev. Robert Rollins.

Temperance: The Rev. Luther Swinson, chairman; the Rev. Joe Gerald; and the Rev. Roland Cherry.

Obituary: The Rev. Adrian Grubbs, chairman; the Rev. C. M. Coats; and Mr. Oscar Webster.

Credentials: The Rev. J. Stewart Humphrey, chairman; the Rev. James V. Joyner; and the Rev. De Wayne Eakes.

Parliamentarian: The Rev. C. L. Patrick.

After the appointment of committees, the president presented his message, based upon Romans 8:19—"For the earnest expectation of the creature waiteth for the manifestation of the sons of God." He pointed out that the earth is cursed; is waiting to be redeemed; and this redemption will be when

the *sons of God* are manifested: "Then shall the righteous shine forth as the *sun* in the kingdom of their Father" (see Matthew 13:43). He enumerated that in another sense the *creature* (world) is earnestly waiting for the manifestation of the sons of God who are called Christians. The world cries for the manifestation of the following: (1) the sincerity of our *faith;* (2) the integrity of our *profession;* (3) the relevance of our *testimony.* He stated that this Convention should initiate new sincerity of faith, new integrity of profession, and new relevance of testimony. Then he presented the following list of *convention understandings:*

1. We will not waste time.
2. We will stay in time slots. Keep oral comments at a minimum, if at all.
3. We will show Christian courtesy.
4. We will observe parliamentary decorum.
   a. Stand to get the floor.
   b. Wait for recognition. (Don't get ignored.)
   c. Call for question only when asked by chair.
   d. Appeals are in order when *necessary.*
   e. Parliamentarian will have final word.
   f. Be ready when time comes. *Get with it.*

REPORT OF FREE WILL BAPTIST PRESS FOUNDATION, INC.

We are very grateful to the Lord for another good year in our work. A special thanks to you for remembering us in your prayers and for supporting this institution! If we did not have the support of our Free Will Baptist people, we could not continue rendering service as we do to our denomination.

The Free Will Baptist Press Foundation is the oldest Free Will Baptist institution in North Carolina, having been in existence for almost one hundred years. This institution belongs to Free Will Baptist people, and it is one of which we can be proud. Through the years the Lord has blessed and helped us to make progress. He has been our refuge in every difficult time. In this day of unrest, rising prices, and ever-increasing inflation, we continue to seek the Lord's help and guidance.

All the other Free Will Baptist institutions of our state call for contributions from you to support their programs. The Free Will Baptist Press Foundation does not do this; however, we depend on you even more for support. We have to compete in the business world for your patronage in order to maintain our existence. The Press Foundation is more than a business bidding for your support in the business world. It is a service agency to our denomination. This institution is ours—*yours* and *mine*—and as such, we should seek to make it the very best institution possible.

You may live near one of the three branch bookstores. If you do, we invite you to visit the one nearest you: New Bern Bible & Bookstore, 213 Middle Street, New Bern, North Carolina 28560, telephone 638-6193; Smithfield Bible & Bookstore, 122 South Third Street, Smithfield, North Carolina 27577, telephone 934-7149; and Wilson Bible & Bookstore, 1101 Downing Street (Five Points), Wilson, North Carolina 27893, telephone 243-4982. We are thankful that we have been able to branch out with our bookstores. They have been a real asset to our work.

Every Free Will Baptist should be receiving *The Free Will Baptist*, our weekly paper. If you are not receiving it, you should subscribe to it now.

We urge you to visit the Press Foundation individually or in groups. Auxiliaries, youth groups, men's groups, Sunday school classes, etc., are invited to hold their meetings in the chapel at any time. Arrangements can be made by contacting the Press Foundation, P. O. Box 158, Ayden, North Carolina 28513, telephone 746-6128.

The Press Foundation will be glad to help you with any of your Sunday school or church needs. We can supply you with classroom equipment, visual aid materials, lesson commentaries, as well as church furniture, art stained and decorative glass work, fiber glass church steeples and baptismal pools, pianos, organs, choir robes, and other religious merchandise. We urge you to use the Press Foundation for your church needs, so that we can better serve our Lord and our denomination.

Respectfully submitted,
Walter Reynolds, *Manager*

Report of the Superintendent

Introduction

The Free Will Baptist Children's Home, since 1920 when the first children were admitted, has continued to provide a home for those committed to its care. A total of 66 children are now making their home with us.

The value of the buildings and campus has increased in value until, at present, the value is over one million dollars.

Our greatest asset continues to be the lives of the ones who are now here with us and preparing themselves for a place in the service of Christ, the Home, and in society to be of service to their fellowman.

Purpose

The Free Will Baptist Children's Home is a missionary organization designed to carry out the Great Commission by ministering to dependent and neglected children. The children we serve are from homes which have been broken for various reasons: alcohol, mental illness, crime, death, illness, poverty, neglect, desertion, etc. Throughout the years the ministry has changed so that now we care for children who usually are not orphans, but these who have an even greater need. These children do not know security and love as they should. Their faith has been shattered in the world about them and in themselves. Therefore, the purpose of the Free Will Baptist Children's Home is redemptive, in that we attempt to restore the child's faith in himself, in others, and, primarily, in God. As workers at the Home, we try to do this by the best professional means available, but more than this, by our love and acceptance of a child. We love him even as he is, just as Christ loved us in our sin.

To this end of rebuilding broken lives by the help of God, we dedicate ourselves.

Director of Campus Life

The Rev. J. Stewart Humphrey became director of campus life in February of this year. His duties are varied, but generally he deals with the lives of the children. Medical, dental, emotional, and social phases of the child care program at the Home are under his direction.

Also among his responsibilities are the supervision and training of new personnel. Attempts are being made to acquaint the staff at the Home with the latest techniques in child care. As in the case of all areas of life today, the field of child care is constantly discovering new programs and developing new means of implementing already established programs. Therefore, education and training are a big part of the responsibilities of the director of campus life. To sum up, the superintendent deals primarily with administrative duties, while the director of campus life is concerned with the actual care and supervision of staff and children.

Religious Program

The religious program of the Free Will Baptist Children's Home is planned to meet the needs of our children in the best possible way. Realizing that many have very difficult problems, there is a great need to restore to each child the feeling that he is loved.

The Rev. Terry Woodard serves as the pastor of Memorial Chapel and also as the director of the religious life on campus.

He is assisted in his work by a religious advisory committee. This committee is made up of one child from each cottage, the director of campus life, the pastor, and three staff members. The aim of this committee, pastor, and superintendent is that, with the love of Christ and his forgiveness being the center of the religious life program, we can fully realize a Christian home for boys and girls.

Health Program

We are thankful for the continued good health of our children. We have had no serious illnesses this year.

We are grateful for the faithful and unselfish services of Dr. B. D. Thomas, general practitioner of Zebulon, who has served as our family physician, and his staff; Dr. R. C. Whitehurst Jr., dentist of Wilson, Dr. A. G. Inscoe, dentist of Spring Hope; Dr. Robert W. Moye, dentist of Raleigh; Dr. S. F. Horne, dermatologist of Rocky Mount; Dr. Gloria F. Graham, dermatologist of Wilson; the services and physicians of the Carolina General Clinic, Wilson Memorial Hospital, and the Optical Department of the Wilson Clinic, all of Wilson; the Zebulon-Wendell Hospital; as well as others who have assisted them. We feel we owe a very great debt of gratitude to those who, in the service of love, have done so much for the health of our children.

Special Professional Services

As we attempt to meet the spiritual, physical, emotional, and intellectual needs of the children entrusted to our care, we are in need of more services from professional agencies within our state and area. In the past, we have been assisted by the out-patient clinics of Duke Hospital of Durham and the North Carolina Memorial Hospital of Chapel Hill; the Nash-Edgecombe Mental Health Clinic of Rocky Mount; the North Carolina Commission for the Blind; the Speech Therapy Clinic sponsored by the Wilson County Easter Seal Fund; the Duke Endowment Child Care Consultant Services; the Crippled Children's Section of the State Board of Health; the Health Departments of several counties in the area; the evaluation and consultant services of the Group Child Care Project of the Southeastern Child Care Association; Dr. James Valone, plastic surgeon of Raleigh; and Dr. Zyba Massey, dentist of Zebulon. During the past years, our Home has worked jointly with these agencies in an effort to meet the total needs of our children.

Farm Program

The farm was operated this year under the management of Mr. J. B. Patterson. He was assisted in the work by our older boys. Together they have worked hard and the Lord blessed us with unusually good crops, for which we are very thankful. The entire farm has been in cultivation this year. Again, the tobacco was leased and moved off the farm, providing additional acres to be planted in grain to provide feed for our livestock.

The livestock operation is of considerable service. We have more than 60 cows and calves. The herd also has supplied our beef needs for the year. Our pork needs are supplied also by the hogs we raise. We now have 125 hogs and 20 brood sows, and a number of turkeys and ponies. The farm will operate on a budget during the year 1972-73.

Our children help perform the duties on the farm. They are also encouraged to work off campus in their free time. This gives them experience

at employment, contact with the community, and provides additional income to bring home.

The Staff

The Lord continues to supply the need for experienced and dedicated staff workers. The success of this Home has been and continues to be achieved because of the faithfulness and dedication of the worker, which is unsurpassed anywhere.

Free Will Baptist youth today are becoming concerned about preparing for service in child care as their Christian career. We encourage them to become interested in work at the Home.

At present, we have a complete staff.

Education

We wish to express our appreciation for the services provided for our children by the Nash County School System, the local schools, the county administration, and the county board of education. They have been, and are still, most helpful in meeting the educational needs of our children.

The tutorial program has proven to be one of the better ways of helping our children with their education problems. The liaison-coordinator serves as a representative of the Home to the schools by attending the different programs and activities of the schools to observe our children, to discuss their success and failure in their grades, their activities and behavior. Hours are spent in personal counseling. Mrs. Judy Ball supervises study hall on campus to give special help to those who need it. She will be assisted by Miss Diane Baines and Mr. Jerry Bryant this year. The emphasis this year will be on math and reading. The following chart will help you to see how much progress our children have made under the program.

Some of the Needs and Achievements

1. *New Residence:* The home for the director of campus life has been completed and the Rev. J. Stewart Humphrey and family are now making it their home.

REPORT OF THE STATE SUNDAY SCHOOL CONVENTION

During the period since the last session of the State Convention of Churches, the State Sunday School Convention has been involved mainly in efforts to give publicity to, and encourage support for, the "70 Plus in the 70s" drive launched at the 1971 convention, especially in connection with the first of three goals of the drive—"70 plus new members for each Sunday school." Several publicity items have gone out from our field office and a number of schools over the state have committed themselves to support the drive. This drive was placed by the executive board under the direction of our director of publicity, the Rev. Taylor Hill, and our field secretary, the Rev. L. E. Ballard.

We are pleased to report a very well-attended and informative session of our convention at Gum Swamp church, Pitt County, in April of this year. Some have declared it one of the best annual conventions held in several years. Our theme was "Soul Winning," and three able speakers

presented the theme in three aspects: "Soul Winning Through Exemplary Christian Example," "Soul Winning Through Visitation," and "Soul Winning Through Evangelistic Teaching." The 1972 convention saw an increasing trend toward lay participation in the work of the convention—a trend thought by many to be a healthy and proper one. Two of our three featured speakers in the convention were women who are active in their local Sunday schools, while three of our five general officers chosen at this year's convention are laymen. In the past, ministers have held most of the convention offices. Since the Sunday school movement was begun as a lay movement and has been promoted generally over the years as principally a lay movement, the involvement of more laymen seems desirable.

Some months ago the executive board agreed to relieve our field secretary of some of his duties under his contract, especially with respect to Sunday activities and workshops, temporarily so that he could return to a pastorate in an emergency, and he in return agreed to take a cut in salary. As a result not as much field work has been undertaken as heretofore. However, a broader circulation of the *Sunday School Reporter* has been achieved, and there have been more contacts with Sunday school superintendents over the state through correspondence and personal visits than in some former years. At a recent meeting of the executive board, the field secretary agreed to return to his contract employment not later than October 1, 1972.

The executive board at the August meeting approved a plan looking toward an increase in attendance at our next annual session, and details of the plan will go out from our director of publicity before long. The board feels that our Sunday schools over the state will find the proposed plan attractive and will respond to it to the extent that we will have the largest attendance in our history at the 1973 convention.

Respectfully submitted,

Oscar Webster, *President*

L. E. Ballard, *Field Secretary*

1. Budget for 1972-73: We ask for a budget in religious contributions during the next year of $30,000 based upon $1 per member of the churches of this state.

2. We ask that October be designated "Superannuation Month" and that the third Sunday in June, Father's Day, be designated as "Superannuation Day" in our churches again this convention year.

3. We recommend the following amendment to be added to the "Ministerial Retirement System":

Amendment 4: *State Convention Contribution:* The North Carolina State Convention through its Board of Superannuation will match funds up to sixty dollars ($60) with participating members who are ministers of the Original Free Will Baptist Church of North Carolina. Such funds are to be paid from religious contributions. This is in addition to that which is set forth in amendment three (3) entitled, "Optional Increased Member Contribution."

A. The maximum amount of member's retirement pension shall be increased in section five (5) to six dollars ($6) per month for the number of years members have contributed to the fund.

B. The amount of the lump sum death benefit for named beneficiary as set forth in section seven (7) shall remain the same with one exception, and that being that no more than eighteen thousand dollars ($18,000) will be paid to any certificate holder's named beneficiary regardless of the amount of member contribution.

C. Section eight (8) "Withdrawal from the System," nine (9) "Withdrawal Because of Omitted Contribution," and ten (10) "Transfers to Other States" do not apply to the State Convention contribution. It is understood and agreed on that no member shall benefit by the State Convention contribution by withdrawal from the program. In the event of the withdrawal of a member, all funds paid in by the State Convention will remain in the Ministerial Retirement System Fund.

4. We recommend that the State Convention request our churches to assist their pastor in preparing for retirement through the Superannuation program as follows:

Minimum Assistance

1. A full-time church pay $150 per year on pastor's retirement.

2. A part-time church pay $75 per year on pastor's retirement.

Note: This minimum assistance should either be increased by the church or matched by the minister.

REPORT OF THE KEY 73 STUDY COMMITTEE

I. What Is Key 73?

Key 73 is a unique, simultaneous, continent-wide evangelistic thrust in which 130 denominations, church bodies, and para-ecclesiastical groups are participating—each working individually or in cooperation with other groups or congregations at the community level. The movement will be backed up with a mass media program developed by Key 73 committees.

II. How did Key 73 get started?

Five years ago, a number of leading churchmen of several denominations responded favorably to an editorial in *Christianity Today* calling for a pooling of manpower and resources to carry out the Great Commission of

our Lord. The first meeting was called by Dr. Carl F. H. Henry, former editor of the magazine, and Dr. Billy Graham, the evangelist. It was held in a motel near the Francis Scott Key Bridge in Washington, D. C., hence the name "Key 73."

III. What is the purpose of Key 73?

The purpose of Key 73 is to confront the people of our continent (more fully and more forcefully) with the gospel of Jesus Christ by proclamation and demonstration, witness and ministry, word and deed. Key 73 hopes to unite Christians in the task common to all Christians—evangelism. Key 73 is *not* designed to launch another ecumenical movement or to establish some new ecclesiastical structure to force denominations or groups into some new organic church union. To safeguard the autonomy of doctrine and practice of the participating church groups, Key 73 has three principles of operation: *separately* developing their own programs; *simultaneously* carrying them out in 1973 for maximum impact; *cooperatively* using national television, radio, and the press as the air force to prepare the way for the army of foot soldiers on the community level.

IV. How will the program be carried out?

The program development committees have outlined six phases of Key 73—"Calling Our Continent to Christ":

1. "Calling Our Continent to Repentance and Prayer"—Thanksgiving 1972 to Epiphany 1973
2. "Calling Our Continent to the Word"—Thanksgiving 1972 through Lent 1973
3. "Calling Our Continent to the Resurrection"—Easter 1973
4. "Calling Our Continent to New Life"—Easter through late summer 1973
5. "Calling Our Continent to the Proclamation"—Fall 1973
6. "Calling Our Continent to Commitment"—Thanksgiving to New Year 1973

Detailed plans for carrying out each of the six phases are given in a Congregational Resource Book available from the Free Will Baptist Press. Evangelism methods, prayer helps, worship aids, Bible studies, suggestions for the use of mass media in the community, witness surveys, youth materials, state and county fair witnessing ideas, and helps for witnessing in leisure areas such as parks and resorts are among the resources listed in this congregational manual.

V. Free Will Baptists and Key 73?

A resolution at the last regular session of the State Convention called for Free Will Baptists to join the other major denominations of North America in this effort to win souls for Christ. At that time, the convention instructed the executive committee to appoint a committee to study the role

of Free Will Baptists in Key 73. This committee recommends the following to the convention:

1. Each denomination participates in Key 73 using its own methods, its own programs, and making its own plans. Since no strings are attached to any participating groups from this standpoint, we recommend that our denomination participate.

2. The Key 73 effort will be done on a simultaneous basis. Therefore, we recommend that our denomination plan programs to coincide with the programs of Key 73.

3. All of the participating denominations will share in the sponsorship of radio and television and other mass media. We recommend that our State Convention as a whole endorse Key 73 and that the local congregations who participate share in the expense of Key 73 programs as the Lord leads them.

The time is late. Churches that wish to participate should begin now! Materials that will help in planning are available.

The Rev. Bobby G. Bazen of the Black Jack church and the Rev. J. Stewart Humphrey of the Children's Home will also be available to help any churches who wish to participate. Pamphlets are available which will help your church in planning.

Respectfully submitted,
J. Stewart Humphrey, *Chairman*
Bobby G. Bazen
Harold M. Wallace

REPORT OF THE WOMAN'S AUXILIARY CONVENTION

The forty-fifth annual session of the North Carolina State Woman's Auxiliary Convention met May 11, 1972, with Daniels Chapel church in the Central District.

Eighty-nine delegates, representing six districts and sixty-five auxiliaries, were present at this convention.

Cragmont Woman's Conference was again a highlight of the summer for many of our women. The directors for this year were Mrs. Lillie Mae Sasser and Mrs. Dola Dudley.

The Missions-Evangelism Conference, co-sponsored by the Woman's Auxiliary and the State Mission Board, was well attended and truly a blessing to all who could participate.

Through the State Convention, the women of our state have contributed $21,373.72 to denominational enterprises in the past year. We support all phases of work within our denomination.

Specific projects for the year 1972-73 are as follows: the salary for Mrs. Sandra Jones, missionary; raising funds to purchase an organ at Mount Olive College and to purchase a van at the Children's Home.

We feel that the women's work in our denomination is continuing to make great progress and we solicit your prayers that we may ever strive to do God's will as we carry on our work.

Respectfully submitted,
Mrs. D. W. Hancock, *President*
Mrs. W. Burkette Raper, *Secretary*

REPORT OF NORTH CAROLINA MINISTERIAL ASSOCIATION

The twenty-sixth annual session of the North Carolina Ministerial Association of Original Free Will Baptists met at Cragmont Assembly during the week of June 19-22, 1972.

Ministers from the various churches in North Carolina and adjoining states witnessed one of the greatest conferences ever to be held.

The session opened with praise and prayer, the Holy Spirit being present to warm and inspire each heart.

Sermons delivered during the conference supported the theme, "The Call to Personal Evangelism."

The president has the unique gift to express one's own blessings of the joy and comfort of grace through his singing. Our hearts sang with him as God blessed through his unusual tenor voice.

On Tuesday evening the conference was called to order for its annual business session.

The association elected the following to office for a term of two years: David C. Hansley, president; Robert Rollins, vice-president; C. B. Hansley, secretary; Ralph Sumner, treasurer; Rayford Lee, member-at-large.

These are two of the resolutions that were adopted by the association:

Resolution No. 2. Resolved, that this Ministerial Association recommend to the North Carolina State Convention of Original Free Will Baptists, for adoption, the amendments to the Ministerial Retirement System, as proposed by the North Carolina Board of Superannuation.

Resolution No. 4. Whereas, we recognize the urgent need for a more effective program of Evangelism and Church Extension by our denomination; and

Whereas, there is an expressed desire among our ministers for a more definite program for evangelism and establishing churches in new areas;

Therefore, be it resolved, that this association go on record in requesting that the State Convention of Original Free Will Baptists of North Carolina establish and provide for, by constitutional amendment, a "Board of Church Extension," and that if this resolution is adopted by this body, the president of this Ministerial Association is instructed to present this resolution of request to the State Convention on the first day while in regular session, September 1972.

A number of ministers requested that they be anointed with oil and that prayer be offered for them. The prayer was mutually offered and a

spiritual uplifting came to all. God's presence was evident as manifested through the tears of rejoicing.

Wednesday proved to be even as inspirational as Monday and Tuesday.

The "Dixie Melody Boys Quartet" of Kinston, North Carlolina, was on hand, delivering the message in song to join with the preaching of the gospel.

The highlight of the conference succeeded the messages and singing when on Wednesday evening, the Rev. E. C. Morris, the Rev. Lloyd Vernon, and the Rev. Roy Futrell presided for the communion of the Lord's Supper and the washing of the saints' feet.

The evening service closed, after three (3) most refreshing hours of worship, without recess. All who were present joined hands in a big circle, singing "Blest Be the Tie."

Surely, no greater or intimate fellowship with our Lord or with our fellow ministers could be experienced, as was experienced at this session of the North Carolina Ministerial Association of Original Free Will Baptists.

The Mid-Year Spiritual Life Conference will prove to be as inspirational and uplifting as we shall travel to our capital city, Raleigh, North Carolina, on January 25 and 26.

The Palmer Memorial church has extended a very warm welcome.

All churches are asked to send their minister and wife to the banquet on Thursday night at 6 p.m.

Every church is encouraged to nominate its pastor for "Minister of The Year." The award will be made during the banquet.

The theme for the mid-year conference is "Evangelism Is . . . ."

REPORT OF THE NORTH CAROLINA STATE CONVENTION OF FREE WILL BAPTIST LEAGUES

September 13, 1972

One of the most inspiring conventions of the North Carolina State Convention of Free Will Baptist Leagues was held March 11, 1972, with the Free Union Free Will Baptist Church, Pinetown, North Carolina. Over 300 leaguers from throughout the state attended this convention. Some of the highlights of the convention were the presentation of a skit by the Community League, under the direction of Mrs. Mattie Lou Link; the game of "Tic-Tac-Know," under the leadership of Miss Leah McGlohon, which was of great interest and enjoyment; and the annual sword drill contest. An afternoon singspiration was held with talent from many of our leagues presented. The vice-president of the convention, Mr. James R. McGhee, presided in the absence of the president, the Rev. Raymond E. Jones.

This convention again sponsored the Christian Cadets Conference at Cragmont under the direction of the Rev. Raymond E. Jones with the Rev. Jack Mayo as the assistant director. Individual leagues as well as district league conventions are encouraged to enter their leaguers in the state sword

drill contest and further to consider a free trip, or a portion thereof, to the Christian Cadets Conference as prizes.

The North Carolina State Convention of Free Will Baptist Leagues continues to solicit your prayers and support. Each local league is again encouraged to send the tenth of its quarterly offering to the state league treasurer, Miss Leah BcGlohon, Box 2, Winterville, North Carolina 28590.

Respectfully submitted,

The Rev. Raymond E. Jones, *President*

The treasurer's report showed a balance of $5,359.99. By motion it was adopted.

It was moved and carried to accept the invitation for the North Carolina State Convention of Original Free Will Baptists to convene with the Black Jack Free Will Baptist Church, Route 3, Greenville, North Carolina, on September 13, 14, 1972.

Following the motion to adjourn, Norman Ard led the prayer of benediction.

Executive Committee Meeting
May 29, 1972

The Executive Committee of the North Carolina State Convention of Original Free Will Baptists met at 10 a.m. on May 29, 1972, at the First Free Will Baptist Church, Wilson, North Carolina. Those attending were the Revs. C. F. Bowen; Cedric D. Pierce Jr.; Robert M. May; Bill Futch, serving as proxy for Mrs. Linda Futch; Floyd B. Cherry, visiting; Frank R. Harrison and Dr. W. Burkette Raper, representing Mount Olive College; and Mrs. Frank Walston.

C. F. Bowen called the meeting to order and Mrs. Frank Walston led in prayer.

The minutes of the March 7, 1972, Executive Committee meeting were read and approved.

Mr. Bowen welcomed the group to the meeting and to the First Free Will Baptist Church.

Dr. Burkette Raper reported on the progress of the plans for the Explo '72 trip. He also discussed plans for a youth conference to be held at Mount Olive College from June 23-25. The main thrust of the conference will be that those attending Explo '72 will come back and serve as group leaders for the conference, with the idea to train the youth to serve as group leaders on the local level.

The chapel project at Mount Olive College was discussed. Dr. Raper pointed out that the whole project has been a moving spiritual experience and that one person, who wishes to remain anonymous, gave $60,000 to the chapel fund. It was moved and carried to adopt the following resolution:

RESOLUTION REGARDING A CHAPEL FOR MOUNT OLIVE COLLEGE

Whereas, it has been a long-time desire of Free Will Baptists for a Chapel on the campus of Mount Olive College;

Whereas, we believe that this facility would be a means of strengthening the spiritual development of students and personnel of the College;

Whereas, God has laid it upon the heart of an anonymous donor to give $60,000 for the construction of this chapel;

Whereas, a minimum of $100,000 in additional funds will be needed for this project; and

Whereas, the Board of Trustees of Mount Olive College has authorized architectural drawings to be prepared for the chapel.

Therefore be it resolved:

1. That the Executive Committee of the North Carolina State Convention of Original Free Will Baptists, acting on behalf of the Convention, express appreciation for the $60,000 challenge gift,
2. That the Executive Committee enthusiastically endorse plans for the construction of a chapel on the campus of Mount Olive College at the earliest feasible date,
3. That the Executive Committee commend this project to Free Will Baptists and urge them to provide a minimum of $100,000 to this project over and above their regular support, and
4. That the Executive Committee endorse the plan of seeking at least 100 donors (churches, individuals, families, denominational groups) who will give $1,000 to the Mount Olive College Chapel Fund to be paid within two (2) to four (4) years.

The Rev. Floyd B. Cherry was recognized to speak. He reported that, as chairman of the committee appointed "to work with the General Baptists to explore areas of agreement and cooperation," he has invited the Rev. Glenn Spence, head of denominational affairs at Oakland City College, to speak at the State Convention.

Mr. Cherry also represented the Committee on Student Fellowships. He proposed that we should either sell the Student Fellowship Building in Greenville, or change the method of operation to provide a chaplain to Free Will Baptist students at East Carolina University and use the building for his residence and for a meeting place for the student fellowship. It was moved and carried to suggest to the Committee on Student Fellowships not to receive any applications for student residency in the Student Fellowship Building in Greenville for the 1972-73 school term until the State Convention acts on this matter in September.

Mr. Bowen reported on his investigation of the proposed manual on church membership for juniors and young people. It was recommended that we need one for juniors but that the present manual can be adapted for young people. A motion was made and carried to ask the Free Will Baptist Press to have a manual on church membership for juniors written and to recommend that the Rev. C. F. Bowen be the writer.

The Executive Committee reviewed the proposed program for the Sixtieth Annual Session of the State Convention. The speakers were approved by motion.

By motion that Mr. Bowen be given the authority to communicate with Dr. Burkette Raper relative to a college-denominational workshop.

By motion to pay the expenses for the representative from the General Baptists to the State Convention.

The treasurer gave her report, which showed a balance of $3,124.86. By motion the report was adopted.

By motion to authorize the Key '73 Study Committee to make a mailing to the pastors and church clerks at the expense of the Convention.

By motion to grant the Layman's League Board the authority to issue membership certificates to local chapters formed and in good standing with the Layman's League Board of Original Free Will Baptists.

By motion to adjourn. The Rev. C. F. Bowen led in the prayer of benediction.

Respectfully submitted,
C. F. Bowen, *President*
Cedric D. Pierce Jr., *Secretary*

REPORT ON MEETING OF THE GENERAL ASSOCIATION OF GENERAL BAPTISTS

Memphis, Tennessee

We were warmly welcomed by the ministers and delegates. The Rev. Riley Mathias was moderator; he gave us a very warm and courteous introduction as representatives of a sister denomination.

The highlight of the association was a message by Dr. Wayne Dehoney entitled "Bringing Others to Christ." The moderator challenged the body to a deeper spiritual life and a more enthusiastic evangelistic effort.

Dr. Kennedy reported that the denominational budget had more than tripled in its eight-year existence. Part of the budget was allocated for the purchase of land in Poplar Bluff, Missouri, for the purpose of a new denominational headquarters building.

A letter of greeting from the Rev. Clarence Bowen, president of the North Carolina State Convention of Original Free Will Baptists, was read and received a standing ovation from the assembly.

Due to a curfew being imposed on the city because of racial unrest, business was suspended. Because of the curfew, we left before the session was over. But we were informed by the moderator that further fellowship between our groups was desired by the General Baptists.

Respectfully submitted,
Charles Crisp

REPORT OF FREE WILL BAPTIST MISSIONS BOARD

Greetings in the name of our Lord Jesus Christ to the State Convention of Original Free Will Baptist convening at the Black Jack Free Will Baptist Church, Greenville, North Carolina.

It is with a great joy that we make this report to you. The church year

of 1971-1972 has been a year that Free Will Baptists have been faithful to the "Great Commission." We have reaped a harvest for God that only eternity will reveal its greatness. It has been during this year that our people have excelled any year of our history in gifts to our mission program.

The Rev. and Mrs. Joe Barrow are now back home from Rhodesia and sharing with our people the things God did for them during the years they were away from us. Continue to pray for them as they labor for God.

The Rev. and Mrs. Harold Jones are now on the Island of Palawan, enjoying the beginning of the work for Free Will Baptists in this section of the world. The first two months they saw over 175 professions of faith in the work there. Please pray for them as they labor for God in our behalf there.

Mexico has won a place in the hearts of Free Will Baptists. The Rev. and Mrs. Timmons continue their work at the Bible Institute in Quemado, Texas. They train native workers for the evangelization of Old Mexico. Many souls have been reached for Christ on this field during the past year.

God has blessed our work with two new mission families during this year. Miss Diane Baines, a young lady from Free Union Free Will Baptist Church, Spring Hope, North Carolina, will be going to Zambia during the spring of 1973. She is now doing deputation work in our churches. Also, the Rev. and Mrs. Vance Link and Jodi are our newest mission workers. They will begin visiting our churches the first of October, 1972. They plan to spend at least a year on the field with Brother Timmons. During this year, they will study the Spanish language. After this, they plan to work in Mexico or some Latin America country.

During this past year we have recorded some over 375 souls won to Christ through our mission efforts. You had a part in this, in that you supported the program through praying and giving.

Recommendations to the Convention:

1. That the months of January, March, and April be designated as "Mission Months" of our Convention.
2. That a budget of $100,000 be approved for the year 1972-1973.

Respectfully submitted,
C. F. Bowen, *Chairman*
Joseph H. Ingram, *Director-Treasurer*

Greetings to the 1972 North Carolina State Convention of Original Free Will Baptists from the Philippines

We send our greetings to this important session of the State Convention, and trust that the Lord will give all wisdom and unity that this will be one of the most blessed sessions in the history of the Convention.

Another year has passed very rapidly. We have completed our formal study of Tagalog, but have now entered the most important stage, the actual usage of that which we have learned. We have found out that we still need a lot of study.

On June 5, we arrived in Puerto Princesa, Palawan, to begin our work here. The Perocillo family is working with us. We have opened the work and are praising the Lord for the progress. The Lord is truly moving by His Spirit and preparing the way for us.

We request your prayers, for our chief desire is to win people to the Lord and make disciples of them. Your prayers and support play a key role in this ministry. We thank each of you for your concern for us and the souls of the Filipino people. "God bless you" is our prayer.

Your Missionaries to the Philippines,
Harold, Sandra, Wendy and Misty

REPORT OF THE CHAPLAIN'S COMMISSION

The Rev. C. S. Howard and the Rev. L. B. Woodall Jr., attended the October 1971 and the March 1972 General Commission of Chaplains and Armed Forces Personnel in Washington, D. C.

The North Carolina State Convention of Original Free Will Baptist Churches could have, upon a qualified Free Will Baptist minister's application to and acceptance by the General Commission, placed a chaplain into the United States Naval Chaplaincy during the past year or can place one in the United States Navy during this current church year.

The qualifications of an armed forces chaplain are as follows: He has to be sponsored by his denomination, be a graduate of an accredited four-year college, be a graduate of a three-year seminary, and be a person of good moral character.

The Chaplain's Commission of the North Carolina State Convention of Original Free Will Baptist Churches has had no applicant to make application through it during the 1971-72 fiscal year for the armed forces chaplaincy.

Sincerely,
C. S. Howard
L. B. Woodall Jr.

REPORT OF THE HISTORICAL COMMISSION

The Historical Commission held two formal meetings during the past year. In a meeting with the Executive Committee of the State Convention, a request was made and granted that the Commission be allowed to expend Commission funds invested with the Church Finance Association, Inc. (certificates of $1,000) toward the purchase of a microfilm camera to be used to film local church records and other historical material not otherwise available and to be kept in the Free Will Baptist Historical Collection. The cost

of such a camera would range from $1,050 to $1,500. Two different models are under consideration. The portable nature of the equipment would permit its transport to various places where records could be filmed. The Commission feels that this is the only way of preserving many documents that are being lost to fire, neglect, and natural deterioration.

As the College has agreed that the Free Will Baptist Historical Collection will bear the expense of filming and processing such records and maintenance of the equipment, the Commission requests an appropriation of $300 to be applied to the purchase of such a microfilm camera.

The Commission, through the able assistance of one member, the Rev. L. E. Ballard, has identified some 75 churches in western North Carolina by county, a project, underway in the Free Will Baptist Historical Collection, which seeks to identify all North Carolina Free Will Baptist churches by county and conference or association affiliation, whether still in existence or not.

Inquiry was made concerning the writing of a manuscript on the history of Free Will Baptists, which according to previous records, was a project of the Commission during the 1950's. Information secured revealed that in fact there never was a project commissioned as such by the body, but rather that a member of the Commission at one time did agree to prepare such a manuscript, but because of differences of opinion regarding the history the matter was dropped. The present Commission has discussed the revival of such a project with the Rev. F. B. Cherry, though the details have not been worked out. The Commission feels definitely that such a work should at least be, in part, sponsored by the Commission.

Sentiment was also expressed that the Commission should study carefully the history of Free Will Baptists in an effort to identify those qualities that have enabled Free Will Baptists to survive crises and that have kept the denomination alive. This sentiment was expressed with a view in mind of preparing a pamphlet for distribution expressing these distinctive qualities.

In view of the wealth of material of historical significance contained within *The Free Will Baptist* and the difficulty in locating material for future references, the Commission proposed to the editor of the publication that an annual index be prepared. Such a project is already underway in the Free Will Baptist Historical Collection for retrospective volumes. Editor Manning agreed to study the possibility of preparing such an index.

The Commission recommends that interested persons avail themselves of the services and resources of the Free Will Baptist Historical Collection at Mount Olive College for preparing local church histories or for other inquiries regarding our history. It further urges that churches and individuals deposit valuable documents related to the denomination in the collection or turn them over to members of the Commission for deposit.

The Commission reports the following financial assets:

Certificate on deposit with Church Finance Association, Inc.	$1,000.00
Bank Deposits for work of Commission	104.40

REPORT OF CRAGMONT ASSEMBLY, INC.

Greetings to the State Convention from the Board of Directors of Cragmont Assembly, Inc. We take this opportunity to say "Thank you" to our supporting churches, church organizations, and individuals. We appreciate the support of those who work with and for the improvement and expansion of this ministry of the North Carolina Free Will Baptist Church. This has been a good year!

Last year (1971) two cottages were constructed and furnished, and all roads were reconditioned at a total cost of $40,366. It was necessary to borrow $25,000. Since March 1971 we have retired all but $9,500 of this amount. At the same time these buildings have been fully utilized two seasons by the Assembly. Upon retirement of this remaining debt we will go ahead with the kitchen and dining hall unit. This building is desperately needed *now*. When this building is completed, we will then come to a decision as to whether the "Old Main Building" will be restored or replaced. The decision on the main building will be largely determined by how quickly we can complete the kitchen and dining hall project.

The cost of a week at Cragmont for campers is $37. Of this total, $12.50 is required for transportation, $5 is received by the sponsoring conferences, and Cragmont operates with $19.50 per camper per week. In 1946 the amount Cragmont operated with was $10 per week. The rates have not even doubled in 26 years! Cragmont cannot operate solely on funds received from campers and guests. It depends primarily upon gifts from churches, church groups, and individuals.

This has been a good year for Cragmont! We have already had in excess of 1,300 campers and guests. We still have another month before the Assembly closes on October 15. All conferences report a tremendous experience with God!

We now have a $30,000 campaign underway. The funds are being raised to build the kitchen and dining hall. There are thirty captains over the state responsible for raising $1,000 each. Each person, church, church group, or business donating $50 or more will be honored by the publication of an honor roll in *The Free Will Baptist* and by a permanent record at Cragmont.

The Board of Directors of Cragmont Assembly request:

(1) That June continue to be designated as "Cragmont Month."

(2) That the first Sunday in June be designated "Cragmont Sunday" in the churches.

(3) That the Churches be urged to accept the challenge of $1 per member as the minimum goal in support of Cragmont.

We continue to urge the support of Cragmont Assembly by your prayers, your youth, and yourselves in encampments and your prayerful financial support. Remember: Cragmont will be only what we allow it to become! I believe that the future of Cragmont is a bright one and secure in the hands of the North Carolina Free Will Baptists!

REPORT OF MOUNT OLIVE COLLEGE

Free Will Baptists have every right to be proud of Mount Olive—a college that God transformed from a dream into a miracle. The College is not yet all that any of us want it to be, but it is the best hope—and perhaps the only hope—that the Free Will Baptists of North Carolina have to provide Christian higher education for our children. New doors of opportunity are opening to us for educational improvement, physical development, and spiritual enrichment, and we believe that the future will be limited only by the degree of dedication we bring to it.

A College with a Mission

At Mount Olive College we believe that the most important factor in any person's life is his relationship with God, and we believe that the greatest contribution we can make to a student is to encourage him to make a personal commitment of his life to Jesus Christ as his Lord and Saviour and to grow in his relationship with God.

This emphasis upon the spiritual life does not mean that the College has subordinated its function as an academic institution which fosters intellectual growth, but rather it means that we recognize that "the fear of the Lord is the beginning of wisdom." God is first in our lives or else He is not really in our lives.

We believe that a college is made Christian not by being sponsored by a church nor by courses of study in religion, nor by activities like chapel, nor by religious organizations; but it is made Christian by its entire educational process being based upon Jesus Christ. A college may maintain academic standards apart from Christ; it may even be religious apart from Christ; but it can not be *Christian* apart from *Christ*.

Prior to the beginning of the 1971-72 school year, earnest prayer was made for the spiritual life of the College and during the early part of the fall semester there was a climate of spiritual expectancy on campus. In November at a religious life retreat many students and personnel had a genuine experience of spiritual renewal and rebirth which was shared both on campus and throughout eastern North Carolina. A cross was erected on the new campus to mark the spot for a chapel and in the spring an anonymous donor made a pledge of $60,000 to this project. In June the College carried a bus delegation of 37 to Explo '72 in Dallas, Texas, an international congress on student evangelism. Now that students have arrived for the 1972-73 school year, there is an expectancy that we will experience even

greater spiritual development than last year. We pray and trust that it shall be so!

Denominational Services

Under the leadership of the Rev. Frank Harrison, director of denominational services, and with the cooperation of the faculty, a series of five off-campus courses were conducted last year in which 117 persons were enrolled. These courses included "Crisis Ministry," "Creative Teaching Methods," "The Free Will Baptist Church," and the "Book of Acts."

The College will gladly conduct courses in any area of eastern North Carolina on any appropriate subject in which there are as many as 12 people who will enroll. The length of the courses is flexible, depending upon the subject and convenience of those enrolled. One-day seminars can also be conducted. In addition, students and faculty members are available to fill preaching appointments and to provide special programs of music and Christian testimony.

Ministers or churches interested in any of these services should contact Mr. Harrison (office telephone 658-2502, home 658-9363).

The College has also developed a "supervised work experience" for ministerial students which provides for them to serve as "assistant pastors" or in other appropriate capacities under the direction of experienced pastors or other capable persons. Persons interested in this program should contact Dr. Michael Pelt, chairman of the Department of Religion.

Enrollment

A total of 307 students are enrolled for the fall semester, and while this number reflects a decrease of twenty from last fall, there are three aspects of this enrollment that will be of special interest to this Convention:

1. The number of Free Will Baptist students has increased from 80 to 93.
2. The number of students preparing for the ministry, missions, and church-related vocations has increased from 16 to 25.
3. The number of students whose churches are participating in the Church-College Scholarship Program has increased from 35 to 41.

We believe that Mount Olive College has decided educational advantages for Free Will Baptist young people and we want to put forth every effort to encourage our high school graduates to attend Mount Olive College. Our churches can assist us by the following:

1. Sending the names, addresses, and phone numbers of your high school seniors and juniors. The College will endeavor to contact these students individually as well as invite them to the campus for personal visits.
2. Participating in the Church-College Scholarship Program, which provides an annual scholarship up to $500 for each student.
3. Having Mount Olive College Day services in your church and inviting students and personnel from the College to participate.

4. Bringing your young people to the College for special visits on Saturday mornings or Sunday afternoons.

We believe that there is no other college that can provide better educational opportunities for our young people than can our own college.

The 1971 graduating class was the largest in our history—a total of 108 students received degrees.

Four-Year College Study

The Board of Trustees has authorized a study to be made to determine the feasibility of Mount Olive becoming a four-year college. The study will identify the standards for accreditation as a senior college, the additions to the educational program, faculty, physical facilities, and other requirements. An evaluation of enrollment potential and the projected cost for the transition will be important parts of the study.

Church-College Scholarships for Free Will Baptist Students Attending Mount Olive College

In order to make it possible for more Free Will Baptist students to attend Mount Olive College, the College has inaugurated a special scholarship program which may cover up to $500 of the tuition a student must pay each academic year. The program is on a voluntary basis for those churches which wish to participate.

To qualify, a student must present at the time of his registration, or the church must send in advance, a check signed by the treasurer with the specification that the check is for a scholarship for the student named. The College will then provide an equal amount, up to $125 per semester, as a scholarship. Since there are two semesters in an academic year, one beginning in August and another in January, a student may receive up to $250 from his church and another $250 from the College for a total of $500 under this program.

Gifts sent to the College for this purpose will not be listed toward meeting the challenge assigned that church for the College, but will be recorded as "Restricted Income for Church-College Scholarships."

It is understood that the College may use its own funds or any funds administered by it in matching the scholarship from the church; and further, that if the student qualifies for a scholarship already provided by the College, the scholarship shall be considered as fulfilling the College's matching responsibility. In addition, it is understood that the College retains the right to determine the student's academic eligibility for admission and/or continuation in college quite apart from the matching scholarship.

It is the hope of the College that this program will encourage and make it possible for more Free Will Baptist students to attend Mount Olive College.

Additional Information

Persons who have questions or who wish additional information should consult or contact Mr. Charles H. Harrell, Business Manager-Treasurer, Mount Olive College, Mount Olive, North Carolina, 28365 (telephone: (919) 658-4933).

Financial Information

The preliminary audit for 1971-72 reveals that the College had an

operating income of approximately $960,000 and that total operating expenses were within this income.

The general budget for 1972-73 totals $1,190,630, and of this amount Free Will Baptists are asked to contribute $100,000. In addition, the College will seek additional gifts for the construction of a chapel and other specific purposes including development of the new campus, student aid funds, endowments, and related purposes.

Chapel

Architectural drawings are now being prepared for a distinctive chapel to be constructed on our new campus during 1973. An anonymous donor has given $60,000 for this purpose, and the Board of Trustees has agreed that it will award contracts when adequate funds are available in gifts and firm pledges.

We need a chapel only if we are willing to make dedicated and sacrificial gifts for this purpose. The work of God cannot be done through comfortable procedures and routine means. We are seeking 100 churches, families, and individuals who will agree to give $1,000 to the chapel fund over whatever period of time they choose. Additional gifts in smaller or larger amounts are also needed. It must be emphasized, however, that gifts to the chapel are *needed* over and above our regular support to the College.

REPORT OF THE LAYMAN'S LEAGUE BOARD

Under the leadership of our Lord Jesus Christ, your Layman's League Board attempted to make some in-roads into the many challenges that confront us in our efforts to be of real constructive service to our fellowman.

Realizing our limited abilities and the importance of the task the State Convention had charged us with, we began almost immediately to review the programs, services, and materials used by active layman leagues to see if there might be a need for additional programs and services to meet today's needs and outreaches of our denomination and churches. We agreed that there was such a need and directed much of our efforts in that direction.

We met five times during the year, evaluating present programs and developing new programs and services which we felt very strongly would strengthen our present league activities.

After having prepared a charter, constitution, bylaws, and suggested programs for our layman leagues, we visited several churches to explain the objectives and purposes of the leagues. Some leagues were organized and others expressed an interest in organization of a league. We feel that there is much work to be done in this area and visualize many rewarding results.

We believe sufficient tools have been developed, if prayerfully used, for the organization of layman leagues throughout our denomination as an important avenue of service and fellowship within our churches and conferences and for our Lord. Of course, the success or failure of this, as well as other programs, depends in a great measure upon the enthusiasm and promotional effort and support generated by our ministers and lay leaders in their respective churches and conferences.

The members of the Layman's League Board are available on a necessarily limited basis to give assistance wherever possible.

We appreciate the $100 received from the State Convention to defray the cost of materials used in developing programs. Forty-two dollars and 52 cents were expended with a balance of $57.48 still in checking at the Edgecombe Bank and Trust Company, Tarboro, North Carolina.

We appreciate the privilege of serving you during the past year. The experiences have been rewarding and God's blessings many.

Respectfully submitted,
J. M. Langley, *Chairman*
